The lighter side of Stony Brook life

Dr. Donald G. Barnhouse, Special Chapel speaker

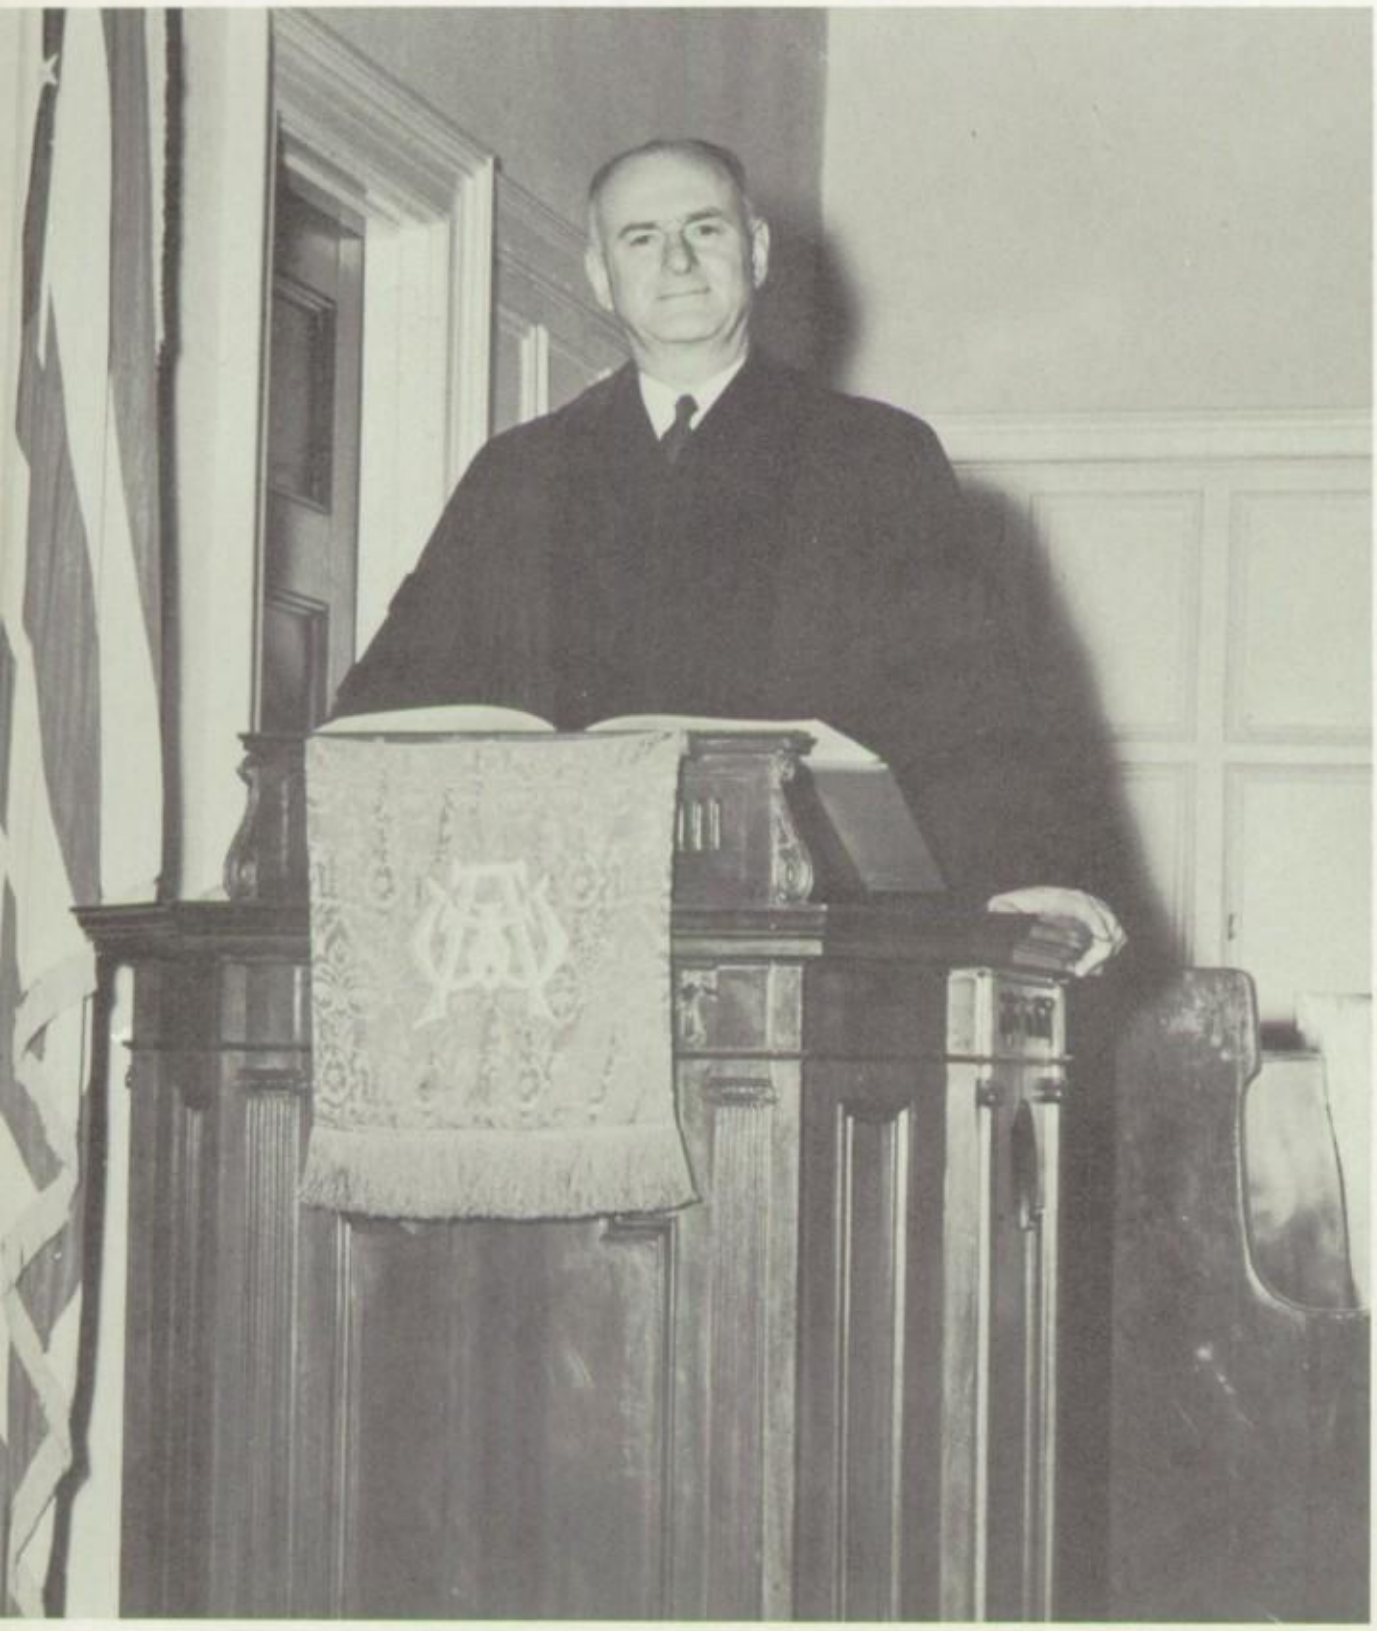
A GUEST EDITORIAL — *by*

One of the great words of our times is security. As almost never before in history, men are seeking certainty and stability. This search is undoubtedly a reflection of the times in which we are living. In every age the future is, humanly speaking, unpredictable; but today the future is unpredictable in a sense the world has never before known. The plain fact is that atomic and thermo-nuclear weapons have opened up potentialities of destruction unique in human history.

It is in a world like this that the essential Christian message that Stony Brook endeavors to give every one of its students stands out as the only basis for lasting security. No matter how radically the human situation changes, Christ remains "the same, yesterday, and today, and forever." The man whose life is based upon the sure foundation of Jesus Christ need not fear anything that may happen. It is his heritage as a child of God to do his work with the realization that, as he does God's will, he has a security no worldly philosophy can ever give. Thus it is that the young man who has had a Christian education at Stony Brook and who has personally received the living Lord can say with conviction even in this uncertain and dangerous age: "If God be for me, who can be against me."

DR. FRANK E. GAEBELEIN

Headmaster



The headmaster of any school has to be a quide for everyone. To us at Stony Brook, Dr. Gaebelein is this, and yet he is much more. This figure with the long stride and the omnipresent "Smokey" is almost a land mark on our campus. He exemplifies our Lord's words, "Search the Scriptures," for his painstaking lectures on God's Word both to his Bible class and in his weekday chapel service. Although there are few of us who see him at prayer, its power is felt by all. To the class of 1955, Dr. Gaebelein will always remain an example in mountain climbing.

A School is Alive

Every yearbook centers around a theme, one which portrays Stony Brook in connection with a tangible idea. Our school, including faculty and students, is exceedingly active, day by day participating in events which make up for us, at least, the thrilling record of our school year.

The 1955 *Res Gestae* staff has sensed the similarity between the energetic daily life of Stony Brook and the more turbulent newspaper world. This resemblance has provided the nucleus of a new theme.

Each page which separates the following large sections portrays the portion of the newspaper world corresponding to that particular sector of our school activity and personnel. The faculty are represented by the managing editors, the seniors by reporters, and the underclassmen by technicians. Our sports pages, activity pages, and ad pages are like those found in the daily newspaper. So here then recorded in full is the reporter's view of the school year 1954-55.

MAN OF THE YEAR

Mr. Hershey teaching

The 1955 Res Gestae staff recognizes that its deep appreciation of the Stony Brook School is based on its high regard for the school's faculty. This year we dedicate the yearbook to one of the faculty, who has been most helpful in our development, and accordingly we nominate him as Stony Brook's *Man of the Year*.

With sincere pride we present him for many reasons. Not only has he been an invaluable asset to Stony Brook for years, but also we will remember him for his interesting English classes. Nor will we forget the sobering and the light-hearted moments there. However, above all else we will remember him because he has been more than a teacher and an advisor. He has always been a real friend inside and outside the classroom. Therefore we respectfully present John Warren Hershey as *Man of the Year*.

DR. HUGH R. MONRO

Dr. Hugh R. Monro passed away on November 20, 1954. Thus Stony Brook lost one of its friends of long standing. Dr. Monro was associated with the School even prior to its formal beginning in 1922, and he served as president of the Board of Directors for 25 years. During all that time, he always had the best interests of Stony Brook at heart.

Dr. Monro was a man of wide achievements. In business he was very successful, and his experience in this field strengthened the financial status of the School. Being an active Christian layman, Dr. Monro took part in the administration of several Christian organizations. He was affiliated with the American Tract Society since 1927 and was president of the Sociéty during the years 1937 to 1946. He was also chairman of the Board of Directors of the Pocket Testament League.

We, the student body of the Stony Brook High School, dedicate this page as a memorium to one of Christ's illustrious followers, Dr. Hugh R. Monro.

DISLIKES: *Week-ends at school*
PASTIME: *Sick at home*
AMBITION: *Minister*
FAVORITE EXPRESSION: *"But, Sir!"*

Jack, a good natured lad from Glen Cove, has brought a certain amount of fame to this fair Long Island village where he lives. This two hundred pounder can be found in his room, or home on an extended week-end.

He does not release his energy on the athletic field or in the class-room, but manages to control himself until he gets into his car and then—watch out! His friendly personality and pleasant smile are bound to make him a success when he enters the ministry.

VICTOR E. BALLA

Cross Country 6; Varsity Basketball 6; Track 6; Glee Club 6; King's Men 6; Quintette 6; Christian Activities Club 6; Advisory Committee 6.

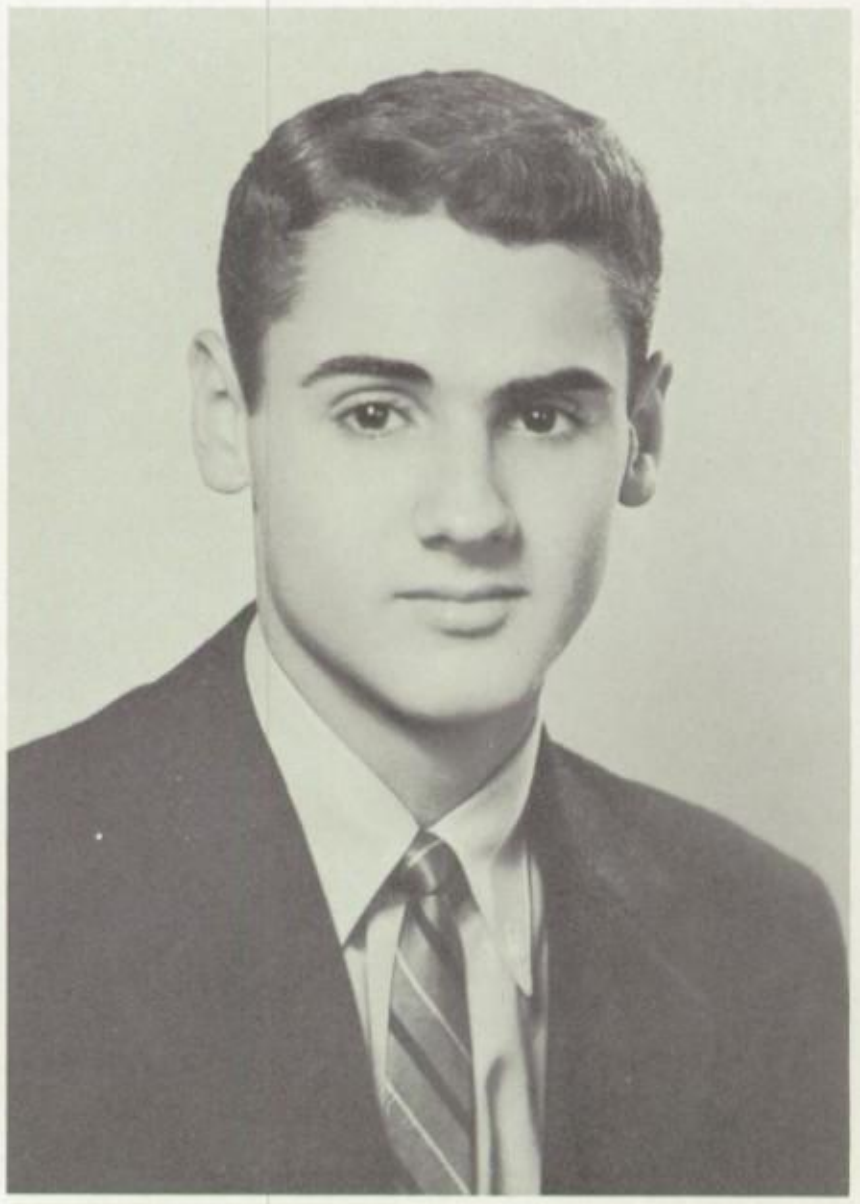
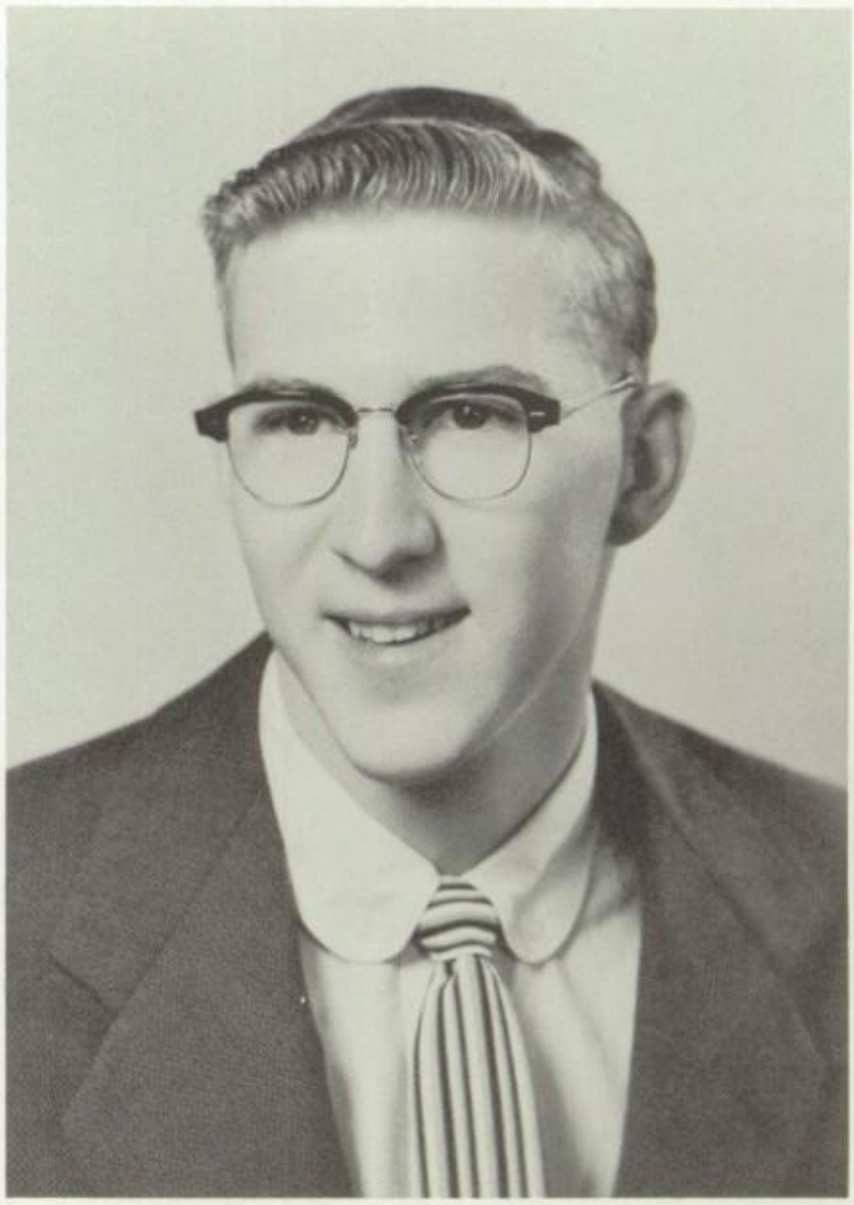
DISLIKES: *Homework*
PASTIME: *Tickling the ivories*
AMBITION: *Minister*
FAVORITE EXPRESSION: *"Meanwhile, back at the ranch."*

Vic is a newcomer to the senior class this year, but it did not take him long to captivate the friendship of classmates. This tall dark fellow, a real leader in Christian activities, has outstanding musical ability and frequently sings in chapel with the quartette. His piano and organ playing mark him as an exceptionally fine musician.

Vic is a good athlete, too, and played on the basketball squad this winter and track in the spring. Vic's plans include college training in Florida for the ministry, and our best wishes certainly will go with him.



DAVID BARBOUR

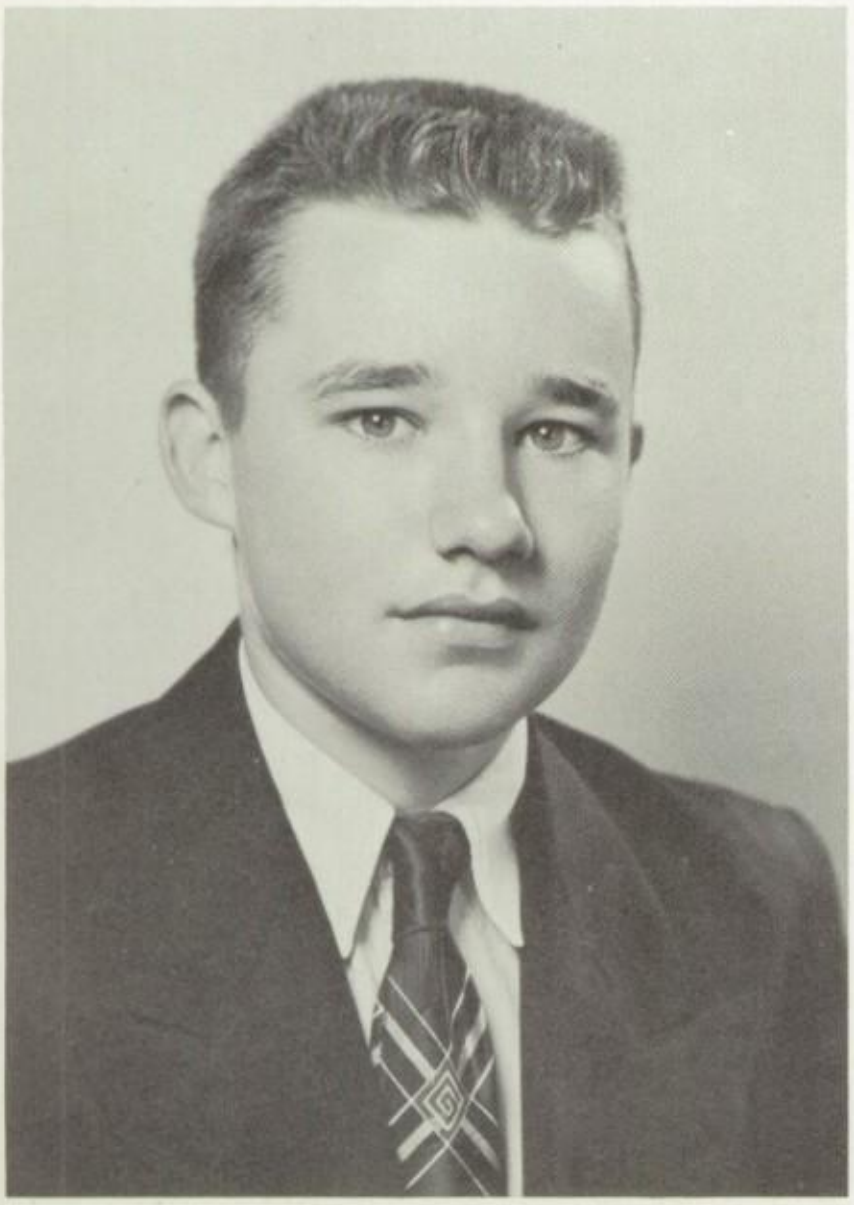


J.V. Football 5; J.V. Basketball 4; Golf 5,6; Tennis 3,4; Christian Activities Club 6; Golf Club 3,4,5,6; Blue and White 5; RES GESTAE 6; Church Board 5,6; Advisory Committee 6.

APPEARANCE: *Homesick westerner*
LIKES: *West*
DISLIKES: *East*
PASTIME: *Waxing floors*
AMBITION: *Business man*
FAVORITE EXPRESSION: *"Hey you guys!"*

Dave, a typical Westerner residing in Colorado, is a four year member of the class of "55". He loves the West with its wide open spaces and snow capped mountains; but in spite of his western prejudices, he is well liked in the school here and has achieved a good deal of success.

"Barb," as a result of his fine Christian character, has served on the church board for the last two years and is a member of the Advisory Committee. He is also able to be consistently on the honor roll. Dave is as loyal to Stony Brook as he is to the West and is definitely a valuable member of our class.



STANLEY BARNETT

APPEARANCE: *Gopher*
LIKES: *Africa*
DISLIKES: *Women with warpaint*
PASTIME: *Studying*
AMBITION: *Missionary*
FAVORITE EXPRESSION: *"Go away 'n let me study."*

Stan, "a missionary kid" from Africa is here with us for the first time, and we can't help but wish that he had come sooner. He became an instant scholastic success when he made high honors at the start.

"Stan" also takes part in athletics, for he ran cross country in the fall, wrestled in winter, and was a member of the track team this spring. He has talked to us in chapel about the needs of the African people and practices what he preaches, for he wants to go to Africa as a missionary. We are all proud of you, Stan.

Bill, a veteran member of this institution of learning, will be sorely missed when he graduates this year. For the last six years he has been extremely popular with his classmates and all that know him. We are proud to count ourselves as Billy's friends.

Wee Willy has been a terror on the mats since his sophomore year, and he has also won a football letter this year. In his first year out for golf, Bantam Bill won the school golf tournament. A good student, Bill has earned his place in college where he hopes to prepare to become a teacher. Those lucky kids!

JOSEPH BLACK

Tennis 5,6; Dramatics Club 5,6; Christian Activities Club 6; Quintette 6; Glee Club 6; King's Men 6; Science Club 5.

APPEARANCE: *Wealthy lumber tycoon*
LIKES: *Seattle*
DISLIKES: *Athletics*
PASTIME: *Typing*
AMBITION: *Minister*
FAVORITE EXPRESSION: *"Bull!"*

Joe, another Westerner who has come East for his education, came here last year after his brother graduated. He doesn't get a chance to go home often, so of course he spends much of his time telling us the facts about dear old Seattle.

"Blacko" was Stony Brook's foreign exchange student last summer, representing the school on a trip to Germany. He takes part in many Christian activities throughout the school year, singing in the quintette and the King's Men. He also goes on deputation work throughout the Island witnessing for Christ. Joe hopes to keep on talking about Christ in the pulpit if that is where the Lord leads.

WILLARD L. BUNDY

Varsity Football 5,6; Varsity Basketball 5,6; Track 5,6; Outing Club 5,6; Science Club 5,6; Glee Club 6; Auto Mechanics Club 6; Letterman's Club 6; Executive Committee 6.

DISLIKES: *Tidy room*

AMBITION: *Hotel manager*
FAVORITE EXPRESSION: *"Aw g'wan"*

Bill, hailing from Schenectady, has become one of the school's best athletes. He played in every quarter last year on the football team as an end. Unfortunately he injured his leg before his first game this year and was able to play only toward the end of the season. Having earned a basketball leter in his junior year, he was one of the main cogs in this year's hoop squad.

"Bevo" is always full of fun and is in on most of the practical jokes. He is notorious for staying in bed until the last possible moment and his infamous room that looks as if a cyclone had hit it. Lots of luck, Bill.

RICHARD BURCAW

Varsity Football 5,6; Varsity Basketball 6; J.V. Basketball 5; Track 6; Golf 5; Outing Club 5,6; Auto Mechanics Club 6; Glee Club 6; RES GESTAE 6; Class Secretary 5,6; Church Board 6.

LIKES: *Speed boats*
DISLIKES: *Food stealers*
PASTIME: *Distributing goodies*
AMBITION: *Doctor*
FAVORITE EXPRESSION: *"What do you think, roommate?"*

Dick, a native of New Jersey, has been here two years, has earned two football letters, and been elected class secretary for two years. His room looks like King Farouk's pantry, for it is always stocked with tasty morsels of all sorts, and Dick and his roommate are always ready and willing to fill our continuously empty stomachs.

"Burc" did not confine his athletic talents to football alone, but he also plays football and golf in the spring. Dick works hard in his studies for he hopes to become a doctor. Take care of yourself "Burc," we are really going to miss you.

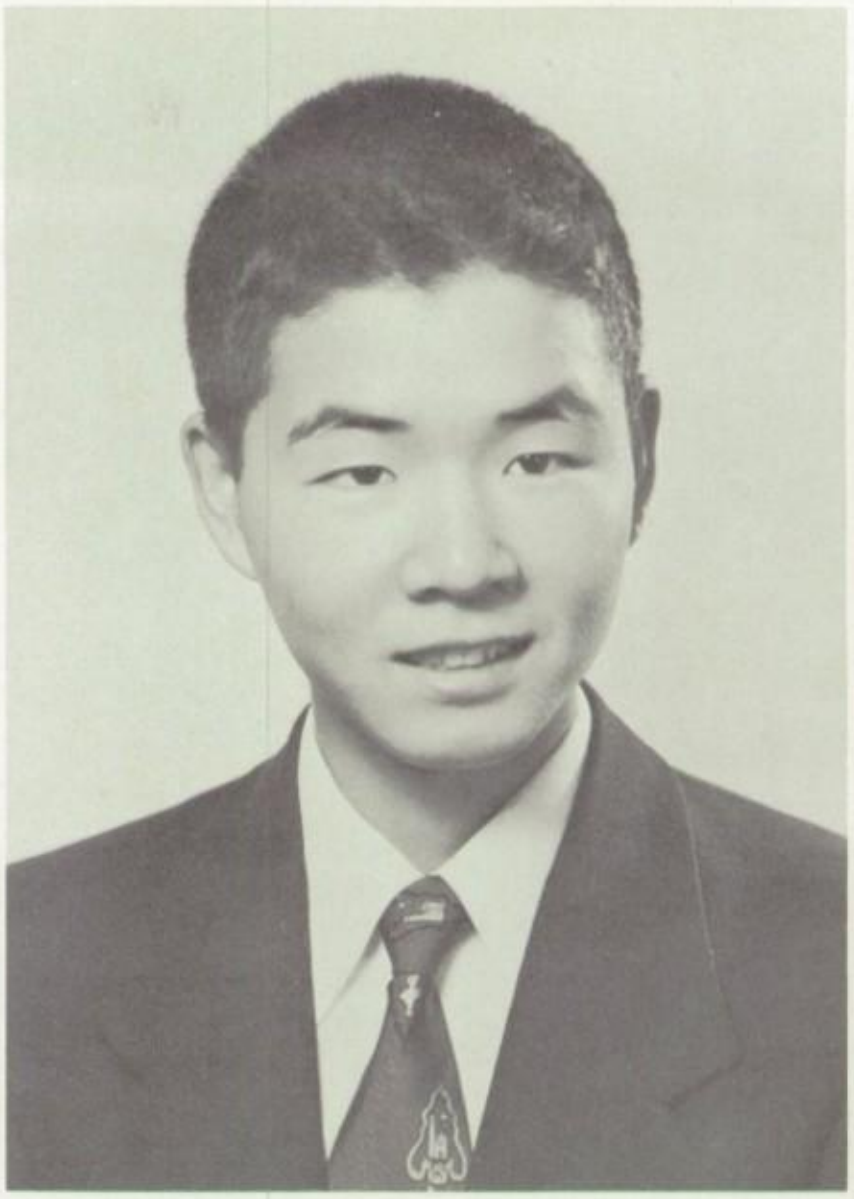
HOWARD CHAI

Cross Country 5,6; J.V. Basketball 5; Track 5; Christian Activities Club 5,6; Quintette 6; King's Men 6; Glee Club 6; Audio Visual Club 5.

APPEARANCE: *Bell hop*
LIKES: *Singing*
DISLIKES: *Nothing*
PASTIME: *Working hard*
AMBITION: *Engineer*
FAVORITE EXPRESSION: *"Let's go!"*

"Howie" is one of Korea's gifts to Stony Brook, and as far as we are concerned any country couldn't produce any better guy than "Chhh."

He came to us last year and soon made many friends. What Howie can't say when he's speaking, he says when he's singing, for he has an excellent voice. His fine Christian testimony attracts boys young and old alike. Hard work has made him a success both athletically and scholastically, and this year he earned a cross country letter. In his two years "Howie" has been more than a friend; he's proved himself to be a true Stony Brooker. Certainly, Korea can well be proud of her native son.



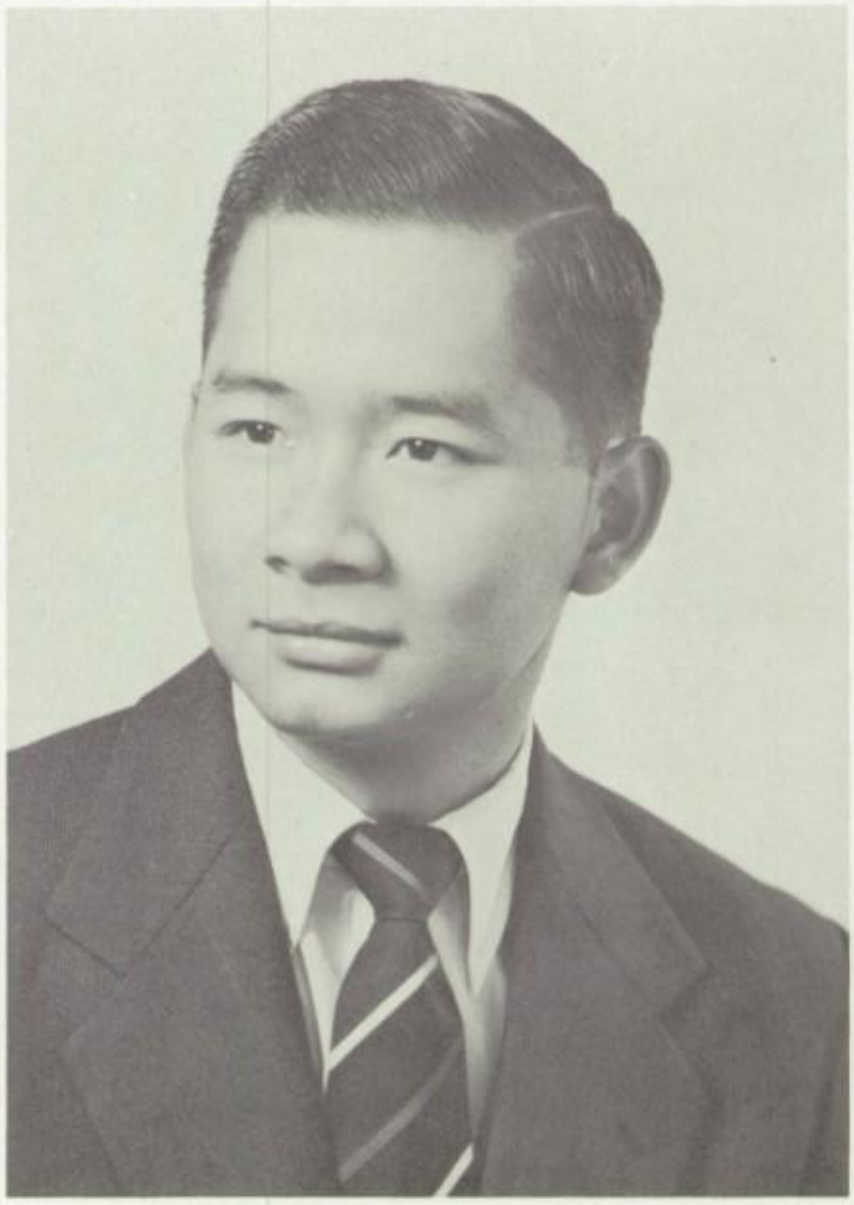
HERBERT CHEW

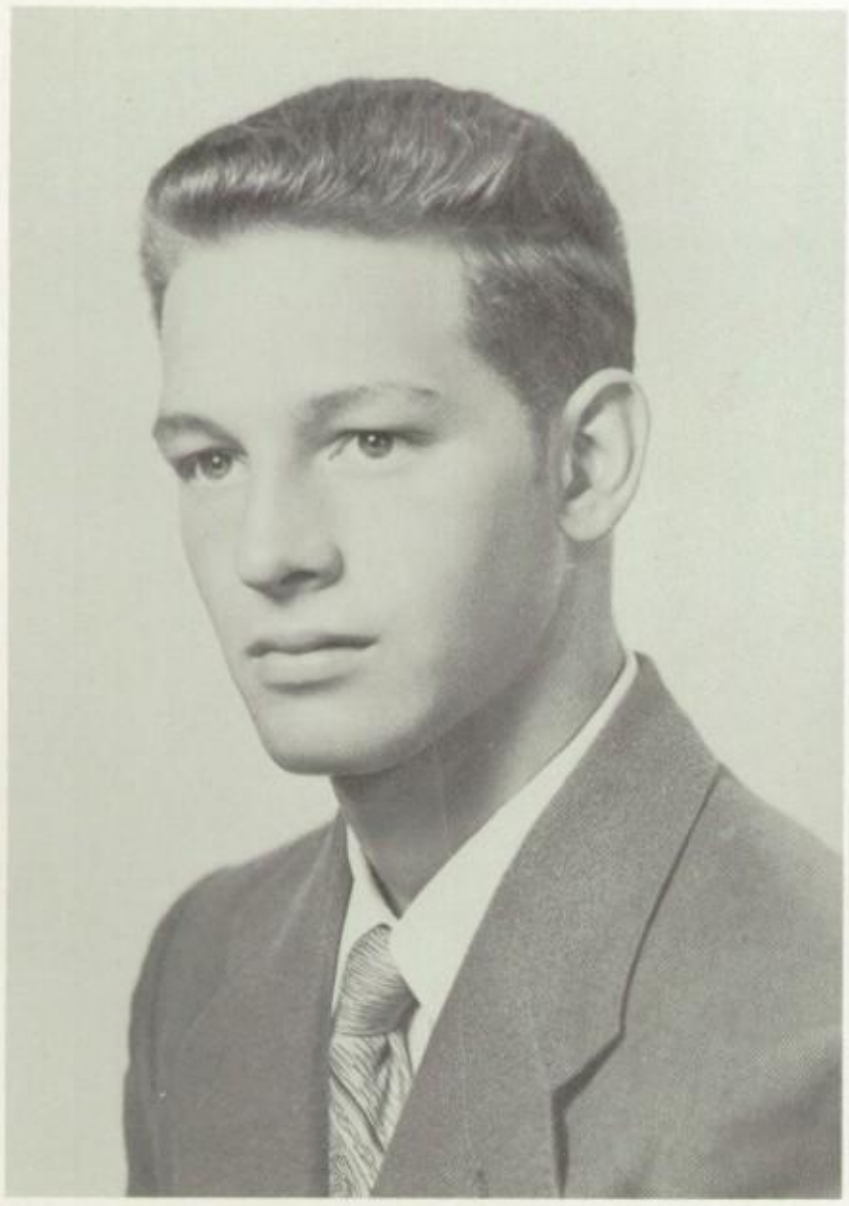
Cross Country 5; Wrestling 5,6; Baseball 5; Track 6; Glee Club 6; Photography Club 6; Science Club 5.

APPEARANCE: *Scholarly*
LIKES: *Judo*
DISLIKES: *English class*
PASTIME: *Reading*
AMBITION: *Engineer*
FAVORITE EXPRESSION: *(silence)*

Herbie, a popular Chinese from Malaya, has quickly adapted himself to our way of living and has been able to mix well with his fellow schoolmates. Having spent two years in the United States, he has mastered the language well and spends much of his time in extra reading and studying.

We will find it hard to forget his hand wrestling contests with Mr. Fenton, and many of us have suffered minor injuries in brief skirmishes with him. Expecting to finish his education in college, Herb plans to major in engineering, for he wants to go back to his own country and work there.





NORMAN R. COOPER

Varsity Football 4,5,6; J.V. Football 3; Wrestling 3,4, 5,6; Track 3,4,6; Varsity Baseball 5; Rifle Club 3,4,5, 6; RES GESTAE 6; Glee Club 6; Science Club 5; Vice-president 6.

PASTIME: *Weekends at home*
AMBITION: *Wealthy hobo*
FAVORITE EXPRESSION: *"Watch my smoke!"*

"Coop," a four year veteran of Stony Brook has established himself as an excellent athlete and honor roll student. Hailing from East Northport, this hard working young man has excelled in football and wrestling, obtaining his letter in both. As a student, Norm has consistently earned better than average marks and has won a school prize for outstanding effort.

Norm's massive chest and Mr. America body make him popular with the fair sex too, even though Coop insists they mean nothing to him. His many attributes are sure to make him successful in years to come.

DAVID B. DAWSON

PASTIME: *Polishing the apple*
AMBITION: *Duke*
FAVORITE EXPRESSION: *"O.K."*

Dave, ever since entering Stony Brook two years ago, has been one of the class' funny men who almost daily pulls a new stunt or thinks up a new joke especially fitted for the occasion. His comical personality and fantastic stories have made him known throughout the school. Living a short distance from the school, he has invited many boys to his home.

"Beau Brummell" is quite a racing and hot rod fan and has enchanted us by the hour with his dazzling tales of his vehicle's exploits. Although not a regular athletic participant, Dave was captain of the cheerleaders. We have high hopes for David as he enters college.

DOUGLAS DAVIDSON

Wrestling 6; Varsity Baseball 6; Brass Ensemble 6.

APPEARANCE: *Tony twin*
LIKES: *Women*
DISLIKES: *Work job*
PASTIME: *Phoning King's Park*
AMBITION: *Naval Academy*
FAVORITE EXPRESSION: *"That's what I say!"*

Doug, another new boy, hails from the nearby Long Island town of Baldwin. He started out well and soon discovered his name on the honor roll. He also found time for an active social program, an achievement in itself. His good looks and friendly personality made him many friends throughout the school.

Doug has made a hit musically and can often be heard practicing his trumpet. He spends much of his spare time reading, listening to records, or talking to girls on the phone. Doug has worked very hard and is hoping to enter the U.S. Naval Academy.

JOHN C. ELLIS

Varsity Football 5; Six-man Football 3,4; Wrestling 3, 4,5; J.V. Baseball 3,4; Track 5,6; Science Club 5; Biology Club 4,5; Photography Club 4,5,6.

DISLIKES: *Bad marks*
PASTIME: *Horsing around*
AMBITION: *Scientist*
FAVORITE EXPRESSION: *"It doesn't bother me at all."*

"Ollie" came to us as a day boy in his freshman year and has helped to make life pleasant for us all. He takes a lot of kidding about his nickname, and he is one of the best liked of the local blades.

Johnny is a fine athlete and student. He played football last year but, due to an injury, couldn't play this year. In track last year John won two pole vaulting championships. A consistent honor roll student, "Ollie" expects to become an engineer and hopes to prepare for this work at Annapolis. Fare thee well, John, in whatever you do.

THOMAS ENGERS

Wrestling 6; Tennis 6; Auto-Mechanics Club 6; Glee Club 6.

APPEARANCE: *Puzzled*
LIKES: *Dawson*
DISLIKES: *Record stealers*
PASTIME: *Playing his 45*
AMBITION: *Pilot*
FAVORITE EXPRESSION: *"C'mon Dave!"*

Tom, a lively red-head from Glen Cove, quickly became a popular member of the third floor despite the fact that he is a first year student. He sings well and is a member of the glee club. Interested in mechanics, he is also a member of the automobile mechanics club and is an avid hot rod fan.

Tommy is a good worker and obtains good grades which he richly deserves. He wrestles in the winter and is a member of the tennis team. A man with the women, Tom does well socially, and the presence of his sister was an added attraction to our class party. He hopes to enter the air force and become an aviator.

DISLIKES: *Trumpet-playing*
PASTIME: *Telling dramatic stories*
AMBITION: *Missionary*
FAVORITE EXPRESSION: *"I can do it."*

Bill came to Stony Brook for the first time this year from New Rochelle. Always cheerful and easy to get along with, he is a good trumpet player, and is a member of the band which was appreciated during football games, for we all enjoyed the trumpet cheer. A good tenor voice enabled him to become a member of the quintette. Frequently travelling with the deputation teams, who make good use of his musical talents, he often has a chance to say a few words for the Lord.

Taking part in many activities, Bill does not find much spare time on his hands, but what he does have is spent listening to classical music. Bill hopes to be a missionary, which we all hope he achieves.

Ted earned a letter in baseball in his sophomore year and has continued to play good ball throughout his years at Stony Brook. This fall Ted was a letterman in football, for he did a fine job in the backfield. He played basketball in the winter. Not only is he an athlete, but also Teddy is a good student who often finds himself on the honor roll. Ted plans to enter Williams and study architecture. All our best wishes to you, Ted.

Maintaining a steady friendship with girls of the neighboring villages, Johnny has had many happy times.

"Greenie" is one of the school's best athletes. He was all Ivy League Football and won the Blocking trophy last year. Green's plans include preparation in college to be a naval architect.

His brother came here last year, and graduated, and Bob proved that he had his brother Phil's better qualities as well as some of his own.

"Hoff" is one of our more athletic seniors, participating in football, basketball and baseball, his favorite. Well liked by his fellow classmates, "Hoff" likes to have a good time, but he can settle down and work hard when an opportunity presents itself.

He is a fine Christian and regards his testimony more highly than his schoolwork. He has travelled with the school gospel teams and has given some stimulating messages. Don also served as a capable cross country and wrestling manager.

After Don leaves Stony Brook, he plans to study at McGill and later at seminary for the ministry. All our best wishes for success go with you.

Taking part in all activities including athletics, Mac swam the ocean of J.V. sports for three years in preparation for his last year on the gridiron and diamond. He has been a legendary figure in class basketball where he has set many records in the frigid out door courts. No one will ever forget Mac and his souped up wheelbarrow, for he's the kind of boy that makes school worth remembering.

"Moon" does well in football and track, and lettered in football. In studies he ranks near the top of his class. Always a hard worker, he is a cum laude student who does well in all he undertakes. He definitely is one of the boys in Stony Brook most likely to succeed.

Simeon, who entered the school last year from Korea, has won the admiration of us all by his continued cheerfulness and desire to learn all he can. Although he has an obvious language handicap, he has no trouble mixing with his fellow seniors; and he keeps the second floor from getting too quiet.

"Si-mon" hopes to return to Korea and someday be able to rebuild his father's department store which was destroyed during the war. He is learning all he can about American customs and is teaching us a few besides. He is sure to be well liked wherever he goes, for his omnipresent smile and good humor will always make him popular and help him to be a success.

It will be hard to forget Bob, and our best wishes go with him as he goes on to college specialization in journalism.

One of the school's top athletes, he has earned three letters in baseball, and quarterbacked the football team in his junior year. Serving the class for four years as president, he is also one of the most popular seniors.

Being very mechanically minded, he is interested almost exclusively in engines and it is not an uncommon sight to see Sherwood in his ever-present engineering cap working on his beloved motors. His extensive knowledge in the field of electronics has helped us several times; for when the lights go bad, Sherwood comes to our rescue and is usually able to detect a faulty fuse or poor wiring.

Pete is quite a boy, but he has many friends and all of us wish him the best of luck and hope he gives us first choice when he makes his new car.

Stony Brook Looks Good In Humbling La Salle MA

Stony Brook—Outscoring La Salle Military Academy all the way, Jim Fenton's Stony Brook School quintet posted its first win of the season yesterday with a 54-44 triumph. The Brooks will not return to action until Jan. 12, in an Ivy League game.

La Salle never threatened seriously as Stony Brook led 19-8 in the first period and 31-21 at halftime. Control and possession proved a big factor in the win as the Brooks controlled both boards and played a deliberate, possession-type basketball game.

It was from the foul line where they excelled, caging 26 in 38 attempts. From the field they made one less than La Salle, 14-15. The Cadets output from the foul line was 14 in 26.

Dennis Feidler of Philly and Frank Visted meshed six and seven fouls respectively, while the remainder of the team all cracked the foul column too.

La Salle, which had won two and lost one, had a bad afternoon, missing the range repeatedly and a bad case of fumblitis.

They also take a long breather, not returning to the wars until Jan. 7, against St. Mary's, also a league game.

Westhampton Beach — Coached by Lt. Jack Clark, former star cager at Utah State College, the Suffolk AFB Thunderbirds face a tough schedule for the remainder of the 1954-55 season. Clark is currently the team's top scorer with an average of 16 per tilt.

On Dec. 27 and 28, the Thunderbirds will tangle with the Kindley AFB hoopsters from Bermuda at the Mitchel AFB gym. The teams play two more on the Kindley home grounds Feb. 4 and 5. Last year the Thunderbirds suffered two setbacks, 81-62 and 78-55, at the hands of the Bermuda quintet.

With player-mentor Clark, a six-footer, pacing the Thunderbirds' scoring, the second-high man is Lt. Ed Badger who is averaging 11 tallies per contest. Irwin Wainhouse, 6-4, has a 10-point per game mark to date.

The Thunderbird squad has good size with Bernie Neal, 6-4; Larry McCarthy 6-6½, Don Berry 6-1½ and Clark giving the AFB a "big" nucleus with such capable smaller men as Gene Ahern, Dick Haste, Fred Chambers, George Ipsaw and Henry Nadolski filling out the roster.

Bay Shore Outhustles Patchogue in 78-61 Win

By Charles Clark

Bay Shore—A sharp-shooting Bay Shore High quintet that could do no wrong swamped Patchogue, 78-61, in a non-league cage contest here yesterday afternoon. Big Randy Conquest chalked up 25 points for the losers who trailed throughout the game.

After a dazzling display of jump-shooting by Don Baldwin and Cliff Huston, who each tallied 14 markers, and some tricky layups from under the hoops by Bob Tidwell, who led the Maroons with 15, the A-1 entry of coach Bob Hartcorn must be conceded a top rival for Huntington's laurels.

In an all-around attack, Sam Powell hit for a dozen markers as all nine Bay Shore players got into the scoring act. Steve Musso and Hank Sieman with 12 and 8, respectively, trailed Conquest on the Patchogue side.

Lead By 61-39

After the first period, Bay Shore enjoyed a 21-12 edge over coach Carl Olson's A-2 defending champs, and increased the margin to 42-26 at halftime. After three periods, the Maroons were slacking off with a 61-39 bulge.

Both teams were active on the foul line with Patchogue netting 15 of 23 chances while Bay Shore was dropping in 14 of 25 tries. From the floor, however, the Maroons were vastly superior with a hustling attack that constantly broke up the Red Raiders' down-floor moves. The victors registered 32 field goals to 23 for Patchogue.

Baldwin and Tidwell paced Bay Shore with 12 and nine points, respectively, in the first half with Conquest dunking eight in the same stretch.

Bay Shore, with a 4-1 ocean mark, resumes its A-1 crown quest Friday at Huntington in what may decide the league issue once and for all. Patchogue, 0-2, tries for its first A-2 loop nod by hosting Riverhead.

Mattituck Cops Fourth Straight

Eastport—Coach Bob Muir's Mattituck High cagers won their fourth straight by beating Eastport, 53-46, here yesterday.

The nonleague tilt resulted in the fifth consecutive setback for coach Ed McHugh's Ducklings who operate in B-3. Mattituck came up with three men in double figures—Phil Dickerson (14), Don Sherwood (17) and Ed Adams (14). Eastport, however, outscored the victors from the floor, 20-16.

In the important foul-line contest Mattituck was red hot with 21 conversions that meant the ball game. In the first half, the Muirmen made good on 13 of 15 free flips.

After holding a 14-12 edge going into the second stanza, Mattituck, with Sherwood rallying for nine points, went on to lead, 33-20, at halftime. A very poor third period in which they registered only six markers proved the final downfall of the Ducklings.

Top performers for Eastport were Ken Williams with 16 and Stan Gajowski with 11. Every player in the game—six for Eastport and five for Mattituck—got in the scoring column with at least three tallies.

Brookers Conquer H.M. and Adelphi

Varsity football commenced with early practice the second week in September, and prospects looked good as the team had eight returning lettermen. The first week was spent on fundamentals with Mr. Johnson and Mr. Fenton coaching. Then drills began on a new offense, a wing-T and an unbalanced line, along with special defenses.

In the first game, a clash with the public school, Northport, S.B. came out on the losing end of a 28-7 score.

After the Northport game they began a week of preparation for their first Ivy League contest with Poly. Erratic playing along with untimely fumbles gave them the game 28-0.

The squad anticipated a rough time with Horace Mann, Bronx's Ivy League entry, but with the help of a new backfield coach, Mr. Medd, and great defensive work by Captain John Green, we eked out a 7-6 victory over an improved Horace Mann team.

The next game was a disappointing loss to St. Paul's, who intercepted two passes for a 12-0 win.

The following week the Bruins met Trinity on their home field and held them scoreless until a sustained drive in the closing minutes gave them the edge 6-0. In this game S.B. lost the services of first string center Bob Zumft, who was sidelined by a broken leg.

Riverdale was the team's next opponent and was regarded as their toughest foe. Riverdale showed their best as they pounded us 41-12 on a mud-covered field.

The final game of the season and also the last for the seniors resulted in a hard-won triumph. Paced by Barry Vaughn, who scored two T.D.'s, Big Blue trimmed Adelphi 35-18—a happy ending to the season.

Stony Brook 4, Opponents 3

The 1954 Cross Country season started off with early practice three days before school began with only one returning letterman. However, with a spirited team and an experienced coach, the season was ended with a sense of achievement and satisfaction.

The Brooksters met Poly, who eventually won the championship, after only two and a half weeks of practice, and put on a powerful display of running, losing by a score of 26-29. Goodman, followed by Carlson, Chai, Knecht and Strong, came in as a unit in practically every meet.

The next meet, at home, the team was victorious, defeating a strong Horace Mann team in both the varsity and jay-vee. Although the first Stony Brooker was third, again the team unit turned the tide. Larry Goodman led the team around to victory in the triangular meet with Center Moriches and Shelter Island in a continuation of the winning streak. The team also chalked up another victory at LaSalle. The squad, amidst the growing fervor over the Ivy League meet, achieved perfect scores against Trinity in both groups. During this week, though, two of our key varsity men were injured, thus handicapping the team unit, for in the Ivy League Meet, the Brook came in a poor third. The team was also defeated in a spirited meet with Riverhead.

The team is indeed grateful for every lesson, both spiritual and physical, taught them by their patient coach, and faces the next season hopefully with five returning lettermen.

Commence!

J.V.'s Show Steady Improvement

The 1954 J.V.'s welcomed their new coach, Mr. Liggett, with enthusiasm and spirit. They faced tough, spirited competition from the beginning of the season and fought several uphill battles before they completed their schedule.

In the opening game, against LaSalle, they found an opponent who scored easily and in every period. During the first quarter Bob Baugh, the quarterback, suffered a broken leg which eventually kept him out for the rest of the season. In the end LaSalle triumphed 29-0.

The team next met East Meadow, a superior team in every respect. However the Meadowers were faced by an improved S. B. team whose forward drive was only halted in the first quarter by an inopportune fumble.

Blocking, a weak point throughout the season, improved when the J.V.'s faced Smithtown. It was not enough; however, for Smithtown, like La Salle, scored in the first period and went on to win 19-0.

In the intervening weeks, Mr. Liggett drastically changed the plays; so that a stronger, better equipped team faced St. Paul's. Not only did the team show strength in blocking and pass defense, but it also was strong enough offensively to score early in the game and to go on to whip the Saints 13-0.

After a slow start, the J.V.'s finished strongly and left the field on the day of the final game with the satisfaction that they had shown steady improvement throughout the season.

A Promising Start

Under Mr. Barton and John Percy, the freshmen comprised mainly of newcomers started their season by beating La Salle Military Academy, 7-6. The second game, a home affair with nearby Smithtown, resulted in another nerve-racking victory with a Dick Skripak to Steve Johnson pass in the last thirty seconds providing a 7-0 margin.

From there, however, their three remaining foes managed to bowl them over. A tough Port Jefferson team won 20-6 despite an exciting 80-yard run-back after the kick-off by Skripak. Patchogue reversed the Smithtown game by winning in the last seventeen seconds, 7-0. In the season's finale a superior Massapequa squad defeated the frosh by five touchdowns.

Hoopsters in Strong Finish

Wearing flashy new navy blue warm up jackets, our basketball team was well represented this year by many holdovers from last year's squad and a popular newcomer, Denny Fiedler. Led by the 1954 all Ivy league star, John Percy, the boys got off to a flying start by winning three out of their first four encounters.

This bright outlook, however, was dimmed when we lost our first Ivy League game to St. Pauls in an exciting overtime contest. Disheartened by this defeat and the loss of other close games, we failed to reach full potentiality until the Friends game when we ran rampage over the Quakers in a one sided 70-29 setback.

Encouraged by this lopsided victory, we went on to twice vanquish Adelphi and Friends Academy for the second time. Enough credit cannot be given to Mr. Fenton who never lost faith in his team; for when the going was rough, his constant encouragement led them on to give them the victories they deserved.

Stony Brook Wins Seven Meets

The 1954-55 wrestling season began with sixty boys turning out to compete for positions on the Varsity and J.V. teams. With returning lettermen "Bunky" Lowander at 115, Bill Barnett at 130, Dick Towlen at 130 also, Bob Skripak at 136, Bob Peirce at 141, and Norm Cooper at 157, we had a nucleus around which to build a new team. With Howie Tabatchnik, Leigh Winser, Jack Lees, George Soerheide, John Green, and Stu Luckman to fill the gaps, our team took shape.

The season produced many tense and exciting moments, but every match was fought in preparation for the Ivy League tournament at Poly Prep. This year the hosts were victorious with our team taking second place 11 points behind. We were paced by three individual champions: Jack Lees took the 123 pound title, Dick Towlen chased his man all over the mat before clinching the crown at 130, and Norm Cooper pinned his man in 44 seconds in the 157 pound class.

The most spirited meet on the part of both spectators and competitors was with Trinity during which the Old Gym rocked with shouting. Our biggest score was rolled up against Westbury; our lowest at the hand of N.Y.M.A. Outstanding individual matches were: Cooper's only loss of the season to Oceanside, Peirce's tournament match with the "Outstanding wrestler," Skripak's use of the split scissors against Trinity, and Lees' win over Poly with a slam.

Ivy Title to Poly Prep As Stony Brook Trails

The Poly Prep School grapplers scored 73 points to take the Metropolitan Ivy League wrestling championship tournament by a 10-point margin over the defending champions from Stony Brook at the home mats in Brooklyn Saturday night.

Poly Prep captured three individual titles on the way to victory, Bob Hempel taking the 136-pound crown, Bill Shapiro the 148-pound diadem and Bruce Ducker the 168-pound class championship.

Four individual titles went to Trinity, who scored with Jay Vogelson at 196, Jim Bonbright at 141, Carlos Heriquez at 178 and Bob Hatcher in the unlimited division.

STEWART SMITH brought one title to Garden City for St. Paul's School when he scored by a 4-2 decision over Bob Schoeneman of Poly Prep in the 115-pound class.

Stony Brook of Suffolk won three times in the finals, Jack Lees bringing home the bacon in the 123-pound class, Dick Towlen scoring at 130 and Norman Cooper winning at 157 pounds.

The bidding has proceeded:

South	West	North	East
2 no trump	Pass	4 no trump	Pass

What do you bid now?

A.—Partner's bid of four no trump is an invitation to proceed if your two no trump bid were maximum. Inasmuch as you have but 2 points, the absolute minimum for a two no trump opening, you should decline the invitation and pass. Take a bold demerit if you construed your partner's four no trump bid as Blackwood. Four no trump is never Blackwood when a suit has not been mentioned.

Student Organization

This year's senior class was responsible for the complete revision of the existing constitution. The students responsible for this were Jim Mooney and Barry Vaughn, the latter being elected president last year. It has been under Barry's leadership that the student government has reached new proportions of influence throughout the school. Stony Brook is a firm believer in the power of free expression, and our monthly meeting has been the occasion of airing and settling many grievances. Certainly this organization has been one of the most important instruments in shaping the united school spirit that we have here at Stony Brook.

For the first time in several years Stony Brook's paper came forth with a printed format. With this new incentive, many new articles appeared, showing great talent. Each copy showed fresh improvement as the editors faced the difficult task of printing a paper that would interest everyone. An energetic advisor and a cooperative staff made this year's journalistic production the best ever.

GLEE CLUB

On the arrival of Mr. Boggs, musical interest at the school rose considerably. One of the chief characteristics of the Christian religion is joyousness, and certainly it is fitting that there should be a strong musical emphasis at Stony Brook.

The number that signed up for the Glee Club was the largest in the school's history. Its theme song, "Vive le compagnie," soon became one of the campus favorites. Through its weekly rehearsals interesting programs have been arranged, including both sacred and secular music. Surely, this year's Glee Club programs have been among the highlights of the year.

THE KING'S MEN

The King's Men, under coaching of Mr. Boggs, has contributed in no small way to our enjoyment of the Sunday chapel services. This select group of the school's top singers has also gone out to churches throughout the surrounding neighborhood. In the middle of the year, they adopted a constitution and elected officers. Joe Black was chosen as the first president.

Faced with the command of Christ to go and tell all men, this year's Christian Activities Club made its influence felt throughout the neighborhood and at the school itself. Visiting the nearby towns on Saturday with tracts, the club was able to witness in a very powerful way. Through its Sunday evening chapel services and the deputation program, Christian service was stressed. Finally, in the Spring there was a conference for all Long Island church groups. At the end of the year every club member could say that his Christian experience had been deepened by practical work.

Res Gestae

This yearbook, though faced with a cut in size, has striven for originality. So often, we have felt the real spirit and joy of life at Stony Brook has been submerged in the pages of activities. Some real literary talent among the staff members has also been of immense value. With our hard working editor, Bob Wolf, and a cooperative advisor, Mr. Goldberg, we hope that you will agree with us that we have reached our objective.

DAILY GRIND

SEPTEMBER

8 Future gridiron greats stumble into the Brook for annual early practice. Where's Cooper?

9 The kitchen's "new look" is noticed. Don't tell us that the two hurricanes are responsible for the shabby state of our cuisine.

11 Dow shows Visted how to body block. Frank out for three weeks.

13 Go, go, go, Rossmore!

14 Fifteen hopeful harriers report for grueling Cross Country practice.

15 Our two-fisted, battle-hardened Marine master quells third floor riot as boys practice bunny hop. Peirce loses collar button in judo demonstration.

17 New students arrive "en masse." Dr. Gaebelein breaks sad news; no more rides for boarders in day boys' cars. Reason? McNamara has a car.

18 The long awaited day has arrived, and school finally starts. Dawson suffering from French blues. After all, four years in a row . . .

19 Watson unhappy with second floor. Anyone want an extra roommate?

22 Third floor in total darkness as Peirce's wired clock causes blackout. Sherwood Peters, junior electrician, temporarily baffled.

24 The hallowed halls of Hegeman are hushed and breathless tonight, for tomorrow the burly Bruins encounter Northport in the season's first pigskin clash. Knock Northport!

25 Northport remains unknocked.

27 Oh day of joy and gladness, oh day of rejoicing and thanksgiving. Watson has finally moved to the third floor.

28 Eleven minus one equals ten. Bundy's on crutches. Tough luck, Bill.

29 Nothing happened here, but seven miles away hordes of the fairest females report to Knox School. We all wish the girls plenty of fun and fellowship (with guess who?).

30 Blackboard quake rocks Memorial Hall as the boards snap, crackle, and in some cases, pop. Dr. Gaebelein keeps Bible VI informed of the proceedings.

OCTOBER

1 Pulverize Poly!

2 Poly remains unpulverized.

3 Soerheide makes his ushering debut by crawling on hands and knees to secure missing offering plates during chapel service.

Visiting committee for neighborhood schools

Adelphi guillotine

East Rockaway or bust!

Bondee, clean da room!

Kangaroo court.

Adelphi car.

Mole's back!

5 Wolf gets carried away in evening English class and tops off shenanigans with a game of musical chairs.
8 Maul Mann!
9 Mann mauled. Time for a change. Horace treats us to a perfect day as cross country and football teams score initial victories.
10 A dozen hopefuls visit Knox, and all return breathless. Mooney writes two letters, and Watson makes two phone calls—same day.
12 Columbus Day: school marches on, and "Chris" turns over in his grave with dismay.
14 Jorge Bolet, Cuba's answer to Liberace, gives dazzling performance; but even more dazzling are the thirty-eight Knoxers.
15 Hurricane Hazel rocks the Brook causing candlelight evening study. If it was good enough for Abe, it's good enough for us. Slaughter St. Pauls!
16 St. Pauls remains unslaughtered. Free weekend begins; home to the folks!
18 Into your cells, men; weekends don't last forever. Where's Bailey?
20 Jack's back.
21 "My father owns Compton's Encyclopedia."
22 Senior Bible class makes school history as entire class manages to write an eighteen word verse correctly. Hearty singing of the doxology celebrates this achievement.
23 Trample Trinity!
24 Trinity remains untrampled.
27 Theologian Bob Peirce answers baffling Bible riddle and wins Dr. Gaebelein's special prize —a goody bar.
29 Rout Riverdale!
30 Riverdale remains unrouted.

NOVEMBER

1 First history calamity of year. An innocent student seeks the study hall.
3 Burcaw writes poison pen letter to Knox and is banned for life.
5 Trounce Tuckahoe!
6 Tuckahoe remains untrounced.
8 New rule forbidding passes after parties stuns party-happy seniors. Green's twenty minute argument to no avail.
10 "Toot, toot." Sherwood's on the warpath. Who took his head gaskets? Zumft and Ellis wear sly expressions.

Evening study

12 Johnson Hall wins dorm contest in questionable decision despite Hegeman's brilliant last minute entry.
13 Abolish Adelphi!
14 Adelphi abolished. Senior class celebrates last game conquest with successful Hawaiian party complete with everything but grass skirts.
17 Sonner having been ejected from class seeks refuge in the study hall and elates senior Bible with unexpected visit. Dr. Gaebelein makes an appointment for a personal interview.
19 Ellis blasts Cooper with firecracker and receives a personal blast from Norm. Mr. Goldberg teaches Ollie not to play with fire.
21 "Bondee, clean da room!"
23 Privileged seniors depart early for turkey holidays. Enjoy the concert, juveniles.
27 Boys come back with cold turkey sandwiches and fond memories. Barbour and Purchase arrive at midnight. That Long Island gets slower and slower.
30 Norman R. Cooper, author of the immortal poem, "Grass," scores another hit, "Railroad Tracks."

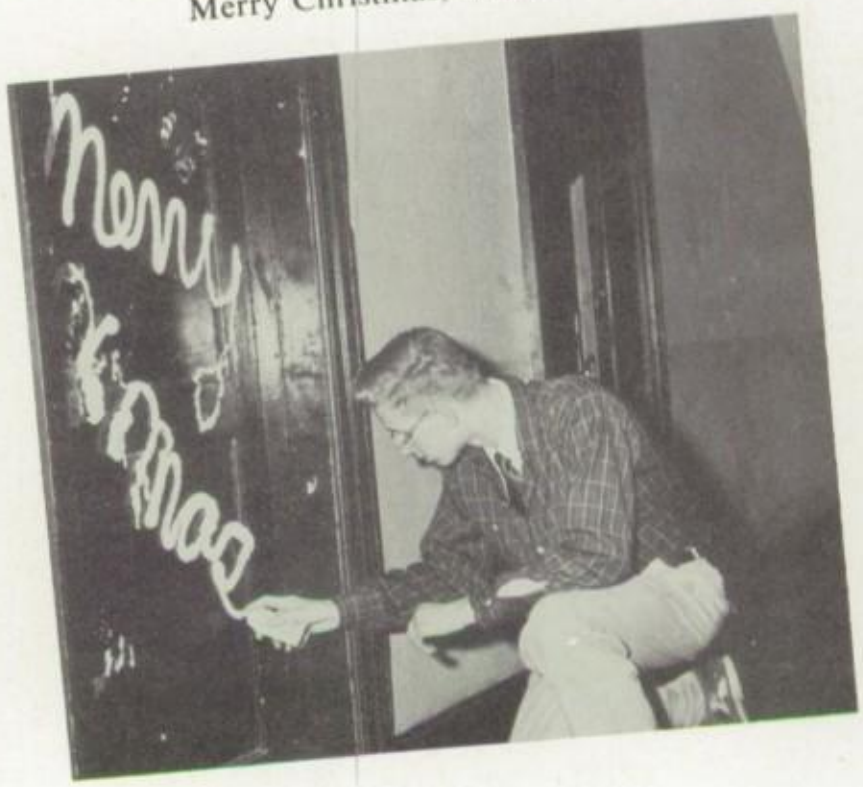
Nature Boys

"This is a very solemn occasion."

DECEMBER

2 Stalb again is asked to depart from history class.
3 Stalb asks to have study hall desk reserved for "emergencies."
6 "Baby, it's cold outside." Burcaw dons long-johns, and Greenie changes T-shirts.
8 Peirce and Mooney find their pajamas frozen to the roof. Who's the third floor Jack Frost?
11 We play host to 65 Hackensackers, mostly girls, and they watch in awe as our hoopster heroes trounce theirs.
13 The true Christmas spirit prevails as Green and Mooney decorate Sherwood's door with shaving soap and evergreens.
15 Oh, Christmas comes but once a year,
And now we leave to home from here.
We hope you all enjoy your stay;
T'was nice to get the extra day.

Merry Christmas, Sherwood.



DAILY

JANUARY

4 Here we go again. Back to the books.
5 Where are Reaves and Rylke?
7 Mole wanders in sporting his Sarasota tan, but where's the happy Polack?
8 Mr. Hershey and a homesick mole have a long talk, and Tom learns that crime doesn't pay. Four hours every Saturday till spring but "it was worth it."
9 The return of the prodigal son, the happy Polack, is back. Rylk tells all about his new woman, and what stories he has to tell!
10 College boards quickly dim vacation memories. After three hours of tests, Watson decides to enlist.
11 P.C., back from the wods, takes over senior English.
13 Mac stars in talent show. "If I Give My Heart To You" becomes his stepping stone to fame and glory.
14 P.C. corrects first English compositions. Percy fears detention.
15 Reaves works off first four hours. Only twelve more to go.
16 Class poll results out. McNamara just can't understand why his selection was unanimous. Cooper begins posing for pictures.
17 Baz starts rock and roll club.
18 As the ground whites with soft, fluffy snowflakes, P.C. delivers annual no-snowball throwing message.
19 Vaughn, baffled by student organization problems, finds the answer—appoint a committee.
20 Mac appoints himself lifetime custodian of the milk and goodies.
22 School's morale sinks to an all time depth as the exam schedule is posted.
24 Seniors take first exam, and Mr. Goldberg gives his annual pep talk. "Now some of us are going to fail . . ."
25 After taking Bible exam, the entire senior class turns to Buddha.
26 Peirce and Stalb are escorted from chemistry exam. When will you learn to shutup?
27 All seniors leave for free weekend except chemistry delinquents.
30 Mooney can't seem to realize that "our weekend" is over as he enters Hegeman with red, ruby lips. Return match in six weeks.

FEBRUARY

2 Snow, snow, and more snow. Third floor stages indoor snow follies. Mr. Thompson remains unimpressed.
3 Balla's quote for the week, "I may not be built, but I'm skinny."

One minute bell

"What's the beezness?"

The Casey Coffin Hour

GRIND

5 Grapplers triumph again, and the ticklers led by Vic Balla go on scoring rampage to lambaste Friends, 70-29.

7 Smokey interrupts Bible class with sudden entrance and leads Rylke, the dog catching Polack, on a mad chase through the halls.

9 Mac nurses his car during the cold but runs out of blankets the first week.

10 Yearbook photographer turns the school upside down in blind quest for candids.

12 Mr. Goldberg, Wilkens, and Cooper cop bowling honors in successful shindig at Woodies.

14 Happy Valentine's Day! Boys all swamped witn "won't-you-be-mine's."

16 Third floor in news again. Stalb and Wilkens ambush its residents with H_2O rods. Green fights back with water filled waste basket, and Zieg hides.

17 Battle continues in darkened hall. Greenie finally gets caught after a lengthy career of undisturbed crime and suffers due rewards.

18 Mr. Fenton finds out dogs aren't all they are cracked up to be.

20 Mongrel for sale. Cheap.

22 Happy Birthday, George.

23 Nothing much happened. Only one senior got boot from history.

24 Mr. Rosenberger, in a reform movement, sends out another offender. Separating the men from the boys, sir? Sherwood, S.B.'s answer to Henry Ford, wows Science Fair audience by taking apart and reassembling "Adelphi car."

25 Dr. Gaebelein's eloquent plea against cruelty to grass falls on Wolf's deaf ears as the big one clomps over the budding blades.

26 Grapplers lose Ivy League trophy in a close one to Poly. Champion Cooper wins in 44 second pin.

27 Moof moof!

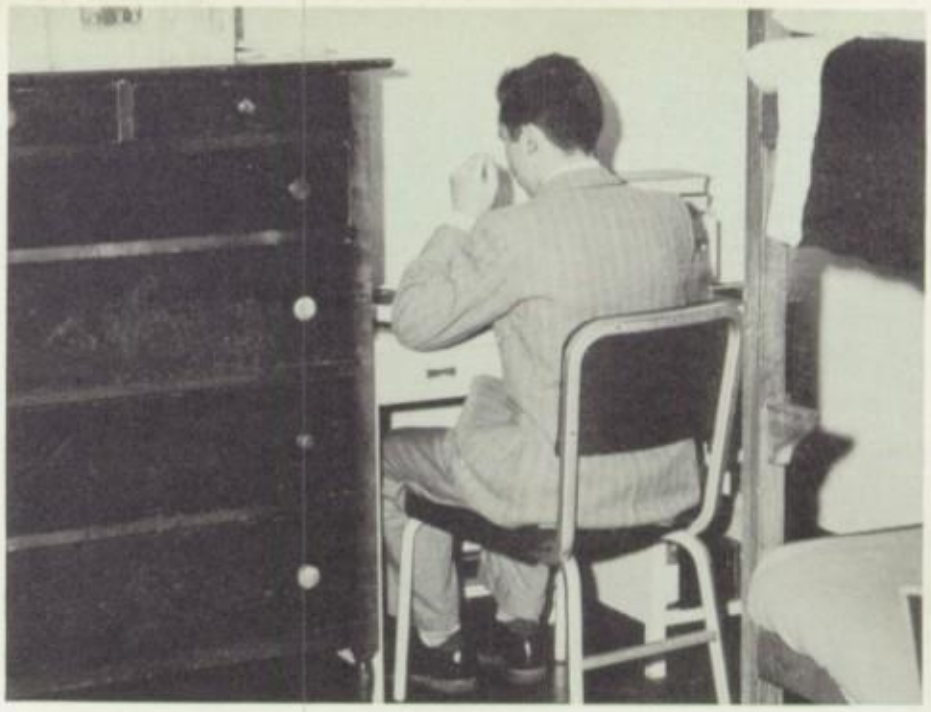
28 School slowly progressing along toward spring vacation. P.C.'s tests make spring seem a long way off.

MARCH

1 Simeon Park leads his Penguins to a thrilling one point victory in class basketball playoffs. Wilkens resigned from active competition, and Baz receives his unconditional release.

2 Texas Indepedence Day! Mr. Boggs leads his King's Men in a hearty warbling of the Texas national anthem. Herz unimpressed and, of course, says so.

3 Alistaire Donald "Dictionary Samuel Sonnet" MacLeod reaches immortality in English class by outmemorizing P.C.



6 A.M.

Sherwood's folly

Read any books lately?

DAILY GRIND

4 P.C., taking over where Emily Post left off, brings some dining room utensils into English class and gives full demonstration on how to "shovel, stoke, and struggle." Chai learns that chow mein and spaghetti are two different things.

5 Court men put on sensational last minute surge to vanquish Adelphi in overtime thriller. Fiedler tickles the twines for 24 points.

6 Well, we finally got the dough thanks to Zumft's last minute ad getting spree. It's been a lot of fun planning, preparing, and perfecting this year's Res Gestae. We sincerely hope you enjoy it, and that these pages give you a fuller picture of life at Stony Brook. Good luck and best wishes to all of you from the class of '55.

"Smokey"

It was worth it.

Romans 10:9-13 . . .

That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved.

For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation.

For the scripture saith, Whosoever believeth on him shall not be ashamed.

For their is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him.

For whosoever shall call upon the name of the Lord shall be saved.

- do the American Indians still dance and worship in their old religions?
- do they still pray to gods of wood, stone, and of the sun?
- do they still have witch doctors and medicine men?

RECIPE

THOMAS' "MUFFIN-BURGERS"... quick...and just marvelous!

HERE IS ALL YOU DO! Broil or pan-fry your hamburgers. Pull apart enough *Thomas'* English Muffins to go around. (*Two halves for each*). Toast to a light brown. Spread immediately with butter. (*For special flavor, cream butter first with garlic salt or a little mustard*). Top half the muffins with hamburgers and onion rings. Cover with remaining muffins. Or serve with an assortment of relishes, and let each person choose his own. *Are they good? Just watch them disappear!*

ONE THING MORE AND IMPORTANT: Be sure to ask for *Thomas' English Muffins*. Baked from a recipe generations old, they have that real old-time flavor. No others *ever* seem so good!
